Microbiome and metabolome integrally reveal the anti-depression effects of *Cistanche deserticola* polysaccharides from the perspective of gut homeostasis

Xiaojie Liu, Xiaoling Wu, Senyan Wang, Ziyu Zhao, Chen Jian, Mengyu Li, Xuemei Qin

PII: S0141-8130(23)02436-4

DOI: <https://doi.org/10.1016/j.ijbiomac.2023.125542>

Reference: BIOMAC 125542

To appear in: *International Journal of Biological Macromolecules*

Received date: 5 February 2023

Revised date: 7 June 2023

Accepted date: 21 June 2023

This is a PDF file of an article that has undergone enhancements after acceptance, such as the addition of a cover page and metadata, and formatting for readability, but it is not yet the definitive version of record. This version will undergo additional copyediting, typesetting and review before it is published in its final form, but we are providing this version to give early visibility of the article. Please note that, during the production process, errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
